### The Lady:

### The Story:

Greeted by a very friendly Natasha. As it was my first time with this group of ladies I was treated with the utmost of care. Loved the attention. Once the proceedings commenced, I was "initiated" in by Natasha herself, with a fantastic BBBJ to completion. Whether she spat it out, I'll never know!

The ladies and other guests were very friendly and I had a great time. Got to spend time with all the ladies and the four and a half hours seem like a blurr.

My personal favourite was Danni, with those dreamy eyes and I had a lot of time with her.

All in all a wonderful experience, which was repeated immediately with me attending another party.

Thank you ladies.
