The Premises:

Place OK, I had been before, but has recently changed hands. Decor is pleasant. Access is from rear, so nice and discreet. Small free car park right outside - felt safe.

The Lady:

Early 30's I'd say, slightly fuller figure - but not fat! Great boobs - that's what made me choose her if I'm honest. Height difficult as everyone looks not very tall to me. Pretty face, short-ish blond hair. Really friendly - put me at ease straight away. She tells me she is the part-owner of this place - so has an interest in giving a good time.

The Story:

Started with massage (talc) this was OK, nothing more. Then she turned me onto my back, lay down beside me, put her leg across me, cuddled me and gave plenty of gentle kisses. Moved on top of me, and made all the right noises - those big boobs right in my face. Then oral (with - don't know if owo was on offer - didn't ask) great technique - but the magic wasn't really happening for me that day - so asked her to remove condom, and finish me by hand over her tits.

All in all, a really friendly lady, who made every effort to be nice.

Will definitely go back.
