The Premises:

Small cottage on the outskirts of Amersham. Clean and tidy. I should think Jasmin lives there. Very safe in nice area.

The Lady:

Small with big boobs and nice nips, I would say around 36C 24 36, Dark hair and brown eyes very attractive South American looks.

The Story:

Made an appointment via Judy's and arrived on time to be greeted by Jasmin in a low cut summer dress with boobs heaving on the buttons. Wow the old man was standing to attention already. Offered a drink and after one sip I was ready to go. Jasmin could see this and led me by the hand to the upstairs bedroom. Well guys GFE and all that old crap was not on the cards, this was just rampant sex at it's best.

Jasmin had the old man in her mouth (Covered) within second and I can't remember the condom going on. I think the boss of Dyson would like to meet this girl to improve the performance of his already great cleaner. I had to stop her before I shot a load. I'm not a young man but I tried many positions which I not used for years and man was it fun. I left with wobbly knees and a smile on my face. I think the guys in the office must have known I had been somewhere great as I did very little work for the rest of the day. I just looked out of the window in the direction of Jasmin thinking of the next time. That many be long.

Thanks a lot and remember your promise.
