My first visit to the new Babes very impressed with the layout and the welcome recieved from Lyndsey and despite reports elsewhere I have always been welcome on visits to the other one in Swinton

### The Lady:

Amazing lady a real girlfriend(I wish)experience

### The Story:

Having seen Patrice many times at Sandys I felt when she left I had lost a good friend so you can imaging my feelings when I saw that she was working at Babes it was equivlant to watching Jonny Wilkenson scoring the winning points for England

I had arrived early for my appointment and was enjoying a drink at reception when Patrice walked in imediatly recognising me came over and gave me a lovely big hug and kisses she looked absolutly gorgeous as ever and I could not wait to get upstairs with her

I did not have to wait long for Patrice to walk in the room and after another cuddle she could not wait to get her clothes off and on to the bed inviting me to join her what an invitation we spent the next few minuites kissing and cuddling each other then Patrice said that she wanted to talk cuddle and fuck me, fine by me I replied she then climbed on top and started to rub my cock between her legs while stroking my balls with her hands and gently kissing me by this time I was becoming very aroused.

I then asked if I could give her a massage if you insist she replied with a sexy smile and after kissing her on her lips I slowly worked my way down past her breasts till I had my head burried between her legs and started to lick her by now wet pussey till I could feel her about to come when she grabbed my head and pulled it towards her till she come and I was able to taste her lovely juices to the full

Next Patrice offered me some oral and soon had my cock in her mouth first gently licking the end

before taking the whole length into her mouth while keeping eye contact with me she continued to massage it more vigorously and with some assistance by myself I came in her mouth she smiled at me before discreetly disposing it at the side of the bed thus our session came to an end

However we had both enjoyed our time together so much that if possible we would book another session later on so we quickly made our way downstairs found there there was a slot available later I then nipped out for a bite to eat before returning for another 1 hr with Patrice and all I will say is that we had another fantastic time and I look forward to my next visit

Finally thanks Patrice for giving me a perfect day in the company of one incredibly wonderful lady.
