The Premises:

A very discrete place in the Castle area of Northwich. There is a safe free car park on a side street off the main road and the entrance is just off this car park. The place is ok, once through the discrete back door, there's a hall and up a flight of stairs. It has a kitchen, office, 2 bedrooms (with TV's) a small bathroom and lots of fresh towels etc. Overall it felt like a warm, clean safe place and has one of the nicest, most helpful and honest receptionist I've met.

The Lady:

WOW, where or should that be how do you start. Libby is about 5ft 5", very slim (size 8), 20yrs old & I'd guess about 34b-22-34, with shoulder length brown hair, an all over tan, fantastic legs and a very small firm cute bum. She also has wonderful deep eyes and a beautiful smile.

The Story:

I've lived in the area all my life and never knew about this place, its been opened years (so I was told) but has lately changed hands. Well it was a boring bank holiday and after reading a review on this place I rung and was told there were 2 girls working (sisters) Libby & Zoe but sounded amazing (Zoe just had a little bigger boobs), but when I arrived only Libby was there, which was the one on the phone I was drawn to, but can you be expected to pick a sister....lol

Anyway after a drink and a shower Libby arrived in the room and she started with a very good all over massage, then are naked bodies curled around each other, what follow next is between Libby and myself. Libby is beautiful woman who has a very gentle touch in everything she does and it was my pleasure to give you your 4th >;0)

Libby you're 1 in a Million and if Zoe is only half as good as you, she'll be incredible.
