The Premises:

Her place was very clean, spotless, brand new flat, very fresh and airy, I felt very safe

The Lady:

She looks much better than in her pictures, very busty, great body and a perfect bottom. She has a kittenish face and tastes great.

The Story:

I was so surprised a lady like her doesn't figure in any reviews, don't know why any of the agency's girls don't have reviews anywhere. Amanda surely deserves great reviews. Her command of English is good (I understand she just came from US) and she gave a great hug (to feel her great breasts) when I entered her place. I booked her for an hour but decided to extend to another half an hour, as I had a great feel about this meeting. She didn't let me down.

We started with a nice bath and came slowly in her mouth. We then moved to the bed and her nice tanned skin looked so nice on top of me while she kept pumping vigorously. Her bum is really nice and round and is a great touch. It is a great view from behind and she surely likes it slowly. Decided to change position and came between her breasts. Great view, great lady.
