The Lady:

Emma was a very attractive blonde, about 5ft 5, pretty face and well looked after body.

The Story:

My appointment was at 9pm, i arrived right on time and wasn't kept waiting. I was greeted very warmly by Emma, who wore a long black elegant dress and offered a drink which made me feel very relaxed.

She had a great figure and a very attractive face.

My time with Emma was amazing! she treated me to a very nice rubdown massage which was followed by a great BJ - Her O -levels were of top quality which gradually followed on to straight sex. She was very passionate and turned me on with her erotic moaning. We proceeded into the doggie - which was the best ass i have seen to date. Eventually i starting approaching completion and finished off the a cum facial which she took whole on her face.

I still had some time left and Emma played a great hostess by telling me to relax and treating me to another Bj before i left.

Overall Emma did affair girls proud offering a high standard of service and great value for money. She was easy to talk to and a great escort.
