The Premises:

Nice apartment block on the cromwell road. Secure entry, very clean and safe. One room apartment - all necessary amenities and very clean bathroom - although she had only been there a week.

The Lady:

Exactly as photo - very tall girl - when she opened the door she must have been 6' 2" in her 4" heels!! Not a stunner - but very warm and soft and friendly.

The Story:

Greeted very well - offered juice and then a quick chat. She is not Polish as the website suggests but Latvian - no problem for me as I prefer Baltic women. Then off with the clothes and straight into OWO - this girl gave me one of the best tongue jobs I have ever had - she licks balls and anus and uses her nails to great effect. Great french kisser too - very wet and juicy. She tastes good too, soft pussy and wet - but wasn't keen on me fingering her (well I guess it was our first date!) Then a few positions - mish, doggy and then off with the protection and CIM - no swallowing but she held it in for a while and sucked me dry. Then a massage, which was very good and another BBBJ with that tongue again, and she brought me off a second time in the space of 15 minutes - another CIM - unbelievable!!
