The Lady:

Kelly looked stunning as soon as i walked in, beautiful girl, with shoulder length blonde hair loveley face and amazing body

The Story:

managed to walk straight in and see Kelly. No wait at all which was a big bonus. Had a quick shower and she was in straight away. Proceeded to the massage which was nice, first on the back then on the front. I was then informed she only does oral with a condom, which wasnt a problem for me. on with the condom and i watched in awe as her gorgeous head bobbed up and down sucking on my cock and balls. off came her knickers and she positioned herself over me, she slid down on top and her nice tight pussy accompanied with me fondling her breasts where almost enough to make me cum. luckily i lasted long enough to get her into mish. spread her legs and and began pumping away. didnt last long at all, the sight of her legs in the air and me filling her in the mirror was too much for me. Overall she was very pleasant to talk to, great sex, and my first experience at the gallery was a good one
