The Premises:

My impressions of the Babes Club in Bury were described in an earlier FR. The only additional observation would be that the rooms, while definitely good, lack any individual character as they are all alike.

The Lady:

Patrice is quite an attractive woman, standing about 1.70 m tall, who is probably in her mid-30s. She has a petite waist, shapely legs, lightly tanned skin, and pert natural breasts that suit her slender frame. While she has a small belly piercing, there are fortunately no tattoos. Patrice has a charming face, with expressive dark eyes and raven hair in a bob extending just beyond shoulder length.

On the day of the appointment, Patrice had a matching pink/white bikini top and bottom, with white kitten mules. Personality wise, she has a friendly disposition, with a cultured voice.

The Story:

The encounter started downstairs with a few minutes of conversation at the bar, before I was led upstairs for a shower while Patrice freshened up.

After some slow kissing as a prelude, Patrice started with a slow teasing massage before getting me to lie back for OWO. I thought it was excellent, with Patrice having an interesting technique of almost nibbling away while maintaining close eye contact. Reverse O was equally enjoyable for me, as Patrice had the patience to provide cues as to what she enjoyed (not that I was paying much heed to the clues, being macho and all that). Sexwise, several positions were covered in the available time, with the highlight for me being cowgirl, where I could enjoy the full view of having Patrice look down at me.

In summary, there was fondling, there was oralling, and there was shagging of the highest order. It goes without saying that I enjoyed myself greatly, and have returned since.
