The Premises:

World Famous Babes II, now one of my favourite new places, the girls are gorgeous, you've got safe parking and the bar, like the original in Swinton, is second to none.

The Lady:

Patrice is a beautiful, slim, brunette girl with light blonde streaks. She has a lovely expressive and attractive face, nicely shaped medium tits and a sweet semi shaved tight fanny. She's intelligent, warm and has a nice sense of humour.

The Story:

I'd been down to London on business and on the way back decided to try my other favourite parlour in Bury, ie World Famous Babes II. Three girls were on, and whilst Linzi, the receptionist, fixed me a drink, I decided that Patrice was the girl tonight. She took me up to the room, turned on the shower and popped out whilst I had a quick shower. When she came back, I was lying on the bed ready for a relaxing massage. She's very good at that and I was soon ready for turning over and exploring her sexy body, which is what I did next. She has a lovely formed fanny and likes the top of her clit to be gently licked, which I certainly liked doing! This was followed by her reciprocating on my cock, which I definitely liked. She then rode me cow-girl followed by mish and I finished with a wild doggy shag, looking at her sexy ass swaying in front of me. Another lovely punting experience!
