The Premises:

Nice parlour, dim lighting. Intimate feel to it. Friendly receptionist. Only criticism is that they ought to change the porn movie for regular punters (same one playing as last week!)

The Lady:

Mid 30's at a guess but with a lovely face and a body that 18 year olds would fight to the death to get!

The Story:

1 hour of pure sexual entertainment. Maxine is a very sexy woman, very responsive and totally 100% horny!

I don't know if I persuaded Maxine to give up trifle for sex but it might have been a close thing!

and as if the day couldn't get much better Man City won 5-1, and against the scousers Max!
