### The Premises:

Very safe, quiet, up-market street 5 mins walk from Gloucester Road tube. Apartment is very clean, bright and modern ? better than most you see on the London circuit.

### The Lady:

A stunning Latvian girl, about 20 years old, medium height, long dark brown/red hair. The most piercing eyes one would wish to see and sumptuous 34C, slightly tanned figure. Perfect

### The Story:

Nicole can only be described as an absolute peach. Incredibly friendly, well spoken and educated. Her English is very good and she takes great interest in making you feel comfortable and at home. During the two hours we indulged in every pleasure imaginable. Her technique, attitude and performance are superb. Great OWO; intense, wild, thrashing sex in numerous positions. I came twice in the hour ? once with Nicole in cow-girl and the second time covering her face and mouth with cum which she loved. During this time she experienced multiple orgasms herself. The best 2 hours I've experienced for a long time. This girl gets 10/10 in all departments.
