The Premises:

Discreet entrance with car park at back. Maid showed me into clean room and i was offered a drink. Maid was very freindly and made me feel relaxed as it was my first visit there.

The Lady:

I had travelled to see these two lady,s and was not dissapointed. Ellie was a very sexy looking lady long blonde curly hair and the biggest tits i have ever seen she then introduced sasha her working companion, she was bloody lovely longest legs i have ever seen blonde hair and between the two of them i was blown away.

The Story:

what can i say with ellie rubbing her tits over my face and sasha giving me a wonderful bareback blowjob i told them to take it easy so they left my poor dick alone and told me to relax. Relax, how could i relax while ellie was telling me the most discusting things in my ear, Sasha jumps on my face and ellie finishes me of which takes all o ten second. Worth every penny two of the naughtist girls i have met, roll on next monday.
