The Premises:

Top parlour. ?12 door fee. Immaculately clean, very tastefully decorated, subtle and tasteful background music playing, good quality and very comfortable beds and furnishings, and very importantly it is very discreet. Quite simply one of the best appointed parlours I have visited.

The Lady:

Tall, very slim, straightened red-ish hair, small boobs with big nipples, mid 30's+(?)

The Story:

Full service available, so I opted to be fully serviced including O & A. A shy and slightly nervous performance from a girl who has only been here for a couple of months (maybe she has only been working for this length of time). However, she provided me with a very relaxing and very enjoyable time, and I have no hesitation in recommending her to other respectful and considerate punters.
