The Story:

I have wanted to see Riyana for some time now, i have actually phoned her on a couple of occasions but she has always been busy, and on the one time i actually managed to book her i unfortunately had to cancell at very short notice.

This time i booked a week in advance first by email and then confirmed the night before as well as phoning on arrival with booking details and room number.

Riyana said that she might be slightly early as she has her own driver and he wanted to miss the rush hour in order to get to me on time.As it was she was 5 mins or so early.She phoned me when she was making her way up to my room as i had asked her to.When i opened the door to her i thought she was one of the most sexiest girls i had ever met in my life.

She came in and quickly made herself at home.And we ended up chatting over a bottle of red wine i had in the room.She later told me she was more of A spirit girl but i might have broadened her horizens.Riyana is a very intelligent and bubbly girl and her enthusiasm for eveything is almost infectious.She really seems to love all aspects of her job which is very refreshing..

We were bothe sitting on the bed when Riyana beckoned me over to come closer to her and then started passionatly french kissing me while unbuttoning my shirt.She then started undressing herself, i was gobsmacked by her stunning body;She has curves to die for with natural large breasts,a shapley bum and the softest smoothest skin i have ever felt.She absolutley loves giving owo and loves being in control.She is up for most things apart from cim,A and reverse oral(on her) which i forgot to read on her website as it is something i love to do for the ladies, but i had a fantastic

time nonetheless. There was no rush from Riyana and after 1 last cigarette she turned her phone on to 3 missed calls from her driver as well as a voicemail. We had run over by half an hour. We both got dressed and after a quick kiss Riyana left for her driver. I will definatley be seeing Riyana again when i am in the midlands next x x
