The Premises:

VH - well documented; Very clean, friendly staff, first class all round. Very safe area, discreet entrance.

First visit, shown around - what a great place - made use of the showers & spa bath, sat with a coffee & cig talking to a punter who had just had his service. After making my way back to reception I was informed which ladies were available & shown photos of each lady. Chose Nikita - what a good call!!

The Lady:

An Asian Angel - smooth, dark, silky skin. Firm boobs, an ass "to die for", the looks of a Princess & a great personality.

In the standard VH uniform, under which she had white "hold-ups", white low-cut lacey bra & matching G string.

The Story:

Was joined by Nikita in the lounge area, she showed me the 3 available rooms chose the 4 poster room.

Face down on the massage table, back rub which was made interesting, by watching in the mirror, as Nikita removed her bra & used those firm boobs to good effect. Having jumped off the table so that the head rest could be put up, for the front massage, somehow found Nikita wrapped around me.

There followed the most amazing session of OW-69-doggy-etc.

To see those eyes as she looks at you while giving O, is worth the cost.

A "Tip" fellow punters, treat her like a lady & use your tongue skillfully on her sweet pussy - You will be rewarded!!
