The Lady:

Her details and pics as specified are accurate. Very friendly and pleasant, exceptionally willing to please and a reasonable command of English.

The Story:

There were no problems here at all - she was genuinely as eager for me as I was for her and the session included long spells of explosive action where it seemed as if between us we used up a million calories. Her O levels are of the highest (or should that read the deepest) order and I finished by giving her what must have added up to a good mouthful all of which disappeared without trace - she even cleaned up for me!

Some girl - some finish...wow.
