The Story:

I have been to one of these parties before and as I said before they really are excellent. The girls strip each other and have lesbian sex with each other. I love watching that then Georgia came over to me and started giving me an excellent BBBJ. I was watching Sable take on two guys. One in her mouth then one from behind. Jo and Lynn were still with each other. Then I fucked Georgia and whilst Lynn licked and played with my balls. I decided to have a rest as I didn't want to come too quickly. So I had a beer and carried on watching.

Then Lynn took me upstairs and we did 69. As we were doing it another guy came in and soon I was trying DP with Lynn. I was in her arse and he was in her pussy. I soon came. It was too much for me and decided to leave them to it.

At the end Jo gave me another BBBJ then Sable came over and started to help! I didn't think I would cum again but I managed to over Sable tits whilst Jo was licking it off. It was a great party! Thanks girls
