The Premises:

Seemed like decent well-run place. Friendly receptionist. Nice big air-conditioned room with massive mirror covering all of one wall. Nice little shower in corner which I made use of. Area seemed safe enough and road was fairly quiet at the time. Parked on side road.

The Lady:

Late 20's, about 5'6", dyed red hair, quite attractive, nice figure, good sized tits. Wearing red basque and stockings. Friendly and not overly talkative. Not featured on website, however.

The Story:

Found myself in Manchester on business with some time to spare. So many places up there to choose from! Karens was on my way so decided to drop in. Jenny was the only girl available and I was happy to see her. Before we got started, she asked me what I was & wasn't into which I thought was good. Had a little pouch with her with all sorts of goodies in there.

Usual back massage with ball tickling to start. No complaints from me. Turned over for some more. Jenny fondled my dick to make it stand to attention then followed with a nice slow BBBJ. I was enjoying it when she teasingly stopped and took off her bra & knickers. Sat astride me and ground her pussy on shaft of my dick. Expertly made sure there was no actual 'contact' between us. Was a new one on me and very enjoyable. Jenny leant forward and invited me to feel & kiss her ample tits which she seemed to like. Then went back to giving me more vigorous OWO which was excellent. At my request switched to a 69 which was wicked. Must have been at it 10 mins, giving both her pussy and arsehole a good licking and fingering. Somehow managed to hold out with Jenny going at it the other end.

On with hat for some energetic doggy with Jenny urging me on. Then switched to her feet over my shoulders to finish.

Good VFM session with a professional.
