The Story:

Was hoping for a return trip to see Jerrie of blisstique, alas poor girl was down with flu. She suggested I try Pia and after a couple of phone calls to the agency arrangements were made. Arrived on time and greeted by maid, handed money over and waited briefly in bedroom before being joined by Pia wearing the kind of lingerie I'll never see the wife in again! Straight into a friendly full on kiss ? always a good sign ? then she offered a massage, which after spending a few hours stuck in motorway traffic, I gratefully accepted. After 5-10 mins she suggested I roll over and started a fantastic OWO BJ. I could have let her continue for the whole hour, but decided to move on and she applied a blueberry johnny (another first for Maslow). She then proceeded to ride me as though she was in a bucking bronco contest until finally I could hold back no longer and came. To be honest, there was time and opportunity to go again, but I took great pleasure in talking with Pia. She has only recently started escorting after a professional career in London. If you're looking for intelligent stimulation before, during and after, Pia's your girl!
