### The Premises:

A clean, comfortable, ground-floor flat on the outskirts of Bristol; plenty of parking, felt very discrete and safe. Easy to find, clear directions provided.

### The Lady:

Mature (67), buxom, cuddly and pleasantly plump.

### The Story:

Libby is a very pleasant, friendly and outgoing lady who makes you feel very welcome and relaxed. We chatted for a bit (which wasn't included in the time, Libby is certainly no clock-watcher), we sorted out the finances then moved into the bedroom.

I won't go into the details of what happened in there, have a look at Libby's website to find out what she does and does not do. What I will say is that Libby is extremely skillful, she knows what to do and how best to do it! I got the impression that Libby genuinely enjoys what she does. As you will see from her website, Libby also makes videos, so even if you can't get to see Libby in person, you can still see her in action.

I would thoroughly recommend Libby to anyone, if you see her you will have a terrific time with a lovely lady.
