### The Premises:

Up market apartment in an up market area. Parked in the street, no problems.

### The Lady:

Beautiful blonde Chinese Girl, long legs, size 8. She glides when she moves rather like a fashion model.

### The Story:

Always on the look out for the better things in life I decided to try Cathy. I did check out her previous reviews and was amazed how highly people praised her.

If I was impressed by the view from her apartment I was even more impressed by her. This was not my first time with an Oriental girl but Cathy is something unique. She is the perfect combination of East meets West. She is a cultured young lady.

Cathy appreciated the bottle of champagne I'd brought with me, I suspect the appointment would have gone equally as well without the alcoholic lubrication. The service is relaxed and she clearly enjoys her work. This is a great way to spend an afternoon. I can understand why people think so much of her. I left Cathy feeling on cloud nine.
