The Premises:

Nice little flat, clean and tidy. I dont really care about the places I go to just as long as the bathroom is near the room and the bathroom is full of soaps and towels!

The Lady:

Latvian Young girl, very small petite tits nothing that would excite a guy. Average height, slim and ok. Really nice hair. Brown eyes. Nice looking girl.

The Story:

Good looking girl, very nervous didn't really know what do to. Kisses were ok but not as one would expect it.

First round: no CIM, plain bj not very good.

Second round: straight sex very little enthusiasm and interest.

I think she is a nice looking girl but definetely not worth ?200 for the hour.

I wouldn't recommend her ?200.
