The Premises:

Thai massage parlour in Bedford town centre.

Clean safe and in good area, been here many times.

The Lady:

Patti is a very pretty 23yo sweet thai babe.

Firm tight body brown complexion and big nipples.

I think she is a about 5'4" not sure, but typical petite oriental.

The Story:

It had been about a couple of months since I had last seen this young lady so made a appointment and went round.

Showed straight into the room bath ran for me paid the 30 quid for one hour, and waited for Patti, five minutes later came a knock at the door and in came the beautiful babe. Really nice to see her again,

got my kit off and got in the big jacuzzi bath, and watched Patti peel that little dress and knickers off, its funny how Thai girl can still be a bit shy even when you have shagged her a dozen times.

Not a complint just a cultural observation.

Patti got in the bath and commenced the wash and hunt the soap routine, paying plenty of attention to my cock and balls.

After ten minutes out of the bath, she even dried me with my towel.

Then onto the bed face down for the body to body massage with baby oil. There is nothing quite like a cute Thai girl grinding up and down your back rubbing her pussy and tits all over you!

I turned over was as hard as a rock put on rubber and patti gave a bit of oral before I couldn't wait any longer, I had to get inside that tight hot tiny pussy. Did her missionary started slowly building up steam until she was squealing and moaning in thai as I went for it!

Five or so minutes and I shot in the rubber deep inside patti WOW!

She got the tissues removed condom and cleaned me up.

Still 15 minutes left so lay down and had a chat and get my breath back. Then quick shower, paid patti her tip 80 pund for sex and oral, and said my good byes.

I would recomend Patti if you find yourself in the bedford area and you are after a sweet Thai babe to pamper you. Works most days.
