Blond long hair, fabulous figure.

The Story:

Since this was one of my earlier encounters, I struggled at first with nerves. I had no need to worry, Trisha kissed, hugged and worked her socks (boots off for England. She promises a girl friend experience, with out doubt that is what I got. Fabulous, not rushed in any way, after making love (that is how it felt)and other things we talked and talked!
Gentlemen give her a call, you will have no regrets!
