The Story:

Sapphire makes you feel welcome straight away. She was wearing stockings and sexy lingerie. Asks if you like kissing and when I said yes it was straight on to the bed for a passionate embrace. She then gave really great oral without (she likes to receive oral too). This was followed by fantastic sex in various positions. Sapphire is vocal and energetic! Afterward she showed herself to be very articulate and a good conversationalist. It was a great GFE. No clock watching just great company and even better sex.
