The Story:

I stumbled across her website by accident but what a find. It appears she has been working in Cambridge but has now moved to London and is also doing outcalls. At least with a website and photos you're not too surprised when the young lady turns up. But I was more than pleasantly surprised. Her approach seems different to other girls I have booked and you feel completely comfortable with her.

Her service was excellent, as you'd expect from a 1st class escort, but it's the overall package that makes her stand out from the crowd. I don't give praise lightly, but Cathy is exceptional. A one hour service is usually more than enough for me but with this girl you really do want to spend time with her. She suggested I might like to visit her at her apartment near Tower Bridge and take in the view, I think I will.
