The Premises:

A town house in the centre of bournemouth, very desciet, and multi-store carpark 1 mins walk away.

The Lady:

Sable is 21, 34DD-24-35, she is a goddess and angel rolled in to one the words very fit do not discribe this very very sexy lady, and her friends were as equally as delectible to look at.

The Story:

I came across Sables web site and saw the parties advertised so i e-mailed her and asked for details. which i received and found very inviting so i booked for a party and paid a deposit of ?50 this was to secure a place.

I then phoned and when i herd sables voice i felt like i was talking to an angel, the softness and sexyness of it was enough to make me want the party to start that day, but i had to wait.

The day of the party came and i followed the instruction and found the place with no trouble. i was greated and the door by the Jase who checked that i was invited and then directed me to the changing area and a shower if needed.

I changed in to a robe and the excitement was building i mean when your getting changed to the sounds of muffled moaning from upstairs who wouldn't get excited! On the way up the moans lead the way to four naked goddess enjoying themself with themselves and a few of the guys watching and a couple had joined in these ladys knew what they were doing as i found out later. Im a little shy so I wasn't sure what to do next so i sat down at the side nearest Sable. Then Sable looked at me in a freindly but very sexy way as if to say join in and after that it didnt take me long to get involed with Sable, Jo, geogia and Monet, the phase that comes to mind is anything goes and with three hours to fill i sure had a good go at being with all the ladies, although i have one regret when Sable stood in front of me and asked all around if anyone want to take her up stairs, i went all shy, and wish now that i'd taken her up on that offer i've kicked myself since.

so with that in mine when i go back again im going to take every opertunity i can lifes to short to miss out a chance to go to these parties as you will never see a sexier group of goddess's in your life all in one place.

everyone freindly and jase will get you a drink or something to eat that is if you want food and your not being distracted by all the action going on around you.

all i have to say know is a really big thanks to Sable,Jo,Geogia and Monet for the best time i have ever experinced, and see you soon.
