The Lady:

O, about mid sixties, about 5 feet tall, and well rounded, just like the web pictures Very pleasant lady, well mannered and good to talk too. Spent about 20 minutes or so chatting away before hand.

The Story:

Seen her website, seen her reports on here, was in the area so thought why not? As her website says, she has appeared in quite a few blue films. So she she certainly knows what she's doing when you get down to it lol. Was amazed to find out that she has starred with a pair of wicked girls I saw at a bukakke party last year. Anyway kisses, sucks, shags, almost everything except her other little hole which has a definite no-entry sign on it lol. She certainly knows how to use her ample body to good effect.

Word of warning though.... Despite her age, and nearly a 30 year age difference She absolutely wore me out! So be prepared lol
