### The Premises:

Debbies in South London, clean, safe area.

### The Lady:

Sasha, a pretty black girl, nice tits and great body, a lot shorter than I had imagined. (This is a different Sasha to the one who worked there a few years ago).

### The Story:

Money exchanged, and Sasha started removing her clothes, she has a really good figure, went for the assisted shower, Sasha was great in the shower with lots of attention paid to all the important parts of my body, after a nice long shower, we returned to the bedroom. A nice massage with Sasha kissing all parts of my body, after what seemed a nice long time Sasha told me to turn over for some fun in the important areas. On with the condom and some nice oral which was excellent, after some nice sex I asked her to finish me off by hand. Another great addition at Debbies.
