### The Premises:

Shared flat near the station, nothing special

### The Lady:

Cute Nigerian girl in her early-mid 20's (claims to be brazilian but whatever), slim figure with nice big tatas

### The Story:

One of the better punts I've had; not much kissing involved but everything else was top notch especially having her play with herself and a cim-swallow that went on forever. sex was good but round 2 was over a bit too fast. It wasn't exactly a GFE but she was sweet and a good fuck, in fact I'm getting horny just thinking about her & if I had the cash I'd go again.
