The Premises:

Nice area close to victoria station, you are in full view when you ring the bell but it's a fairly quiet street and the door is opened promptly

The Lady:

Latino looking, brunnete, dress size 12 , stats on the website accurate although she seemed a little taller than the 5' 7" quoted. Shares the flat with one of the other girls who is away at present.

The Story:

Arranged it at the last moment via the phone to Max who was helpful and efficient even texting me directions (Still got lost though)

Gave me a lovely kiss on entering which set the tone perfectly, put me at my ease straight away and offered me a drink. Sat downstairs and chatted for a while then naturally progressed to the bedroom. Loves you to take the lead and tell her what you want (suits me!). Great BBBJ to completion with great action. Then on to cowboy session. We tried A but she's only been offering it for a couple of months and I proved to be too large but was very willing to try.

Excellent punt, highly recommended

Great agency to use although the same girls also seem to be a galaxy as well
