The Story:

I had intended to visit Sarah, but was offere a foursome with another regular client. I am very glad that I accepted. I watched Cindy and Sarah both sucking John's massive cock. I got a big hard on so Sarah gave me her expert attention to a super climax. I then watched John shagging Cindy, both girls were very excited by the sight of John' cock which was magnificent (if only. I had to see it to believe it, but both girls were very kittenish, and I got the benefit. Sarah soon got me going again, and I was able to mount Cindy in missionary pos for a second wonderful climax.

These girls are very much into the party idea. If they get enough support they intend to arrange something in Banbury. I shall be there.
