### The Premises:

Back entrance near small, private car park. Safe and discreet. Buzzed in straight away. Nice, clean spacious room with Jacuzzi. This was my first time, and I told the receptionist this. She was very friendly and made a few jokes and made me quite relaxed.

### The Lady:

Attractive with nice figure and long dark hair. Black bra and short skirt.

### The Story:

This was my first time and Jenny quickly relaxed me. She joined me in the Jacuzzi and talked to me whilst playing with my cock and balls. Still nervous, but slowly relaxing. She asked me what I liked as well. Asked me if I'd tried Rimming, which I haven't, before giving me a nice, relaxing back massage. Really enjoyed the Rimming and Ass play. Turned me over, and started sucking my cock. Absolutely Fantastic and stopped before I got too excited. Some really nice kissing made me feel really good.

Another girl, Jade, popped in for a word, gave my cock a little suck, me a little kiss, then left again. What a surprise. Jenny then went back to sucking me, then 69'd, with me licking and sucking her. Was very excited by this time and couldn't stop myself cumming any longer. Jenny took it all, and was very discreet about disposing of it. She then asked if I'd rub some cream into her back. Spent about 10 mins doing this and enjoyed it.

Overall, although not sure of the timing, it seemed to go on longer than an hour and there was never a feeling of being rushed. Jenny relaxed me perfectly, before giving me one hell of a Bj. She made all the right noises and made me feel special. Superb.

First time, but definitely NOT the last.

Ps. If you read this Jenny, I saw some lovely Strawberry Meringues in the supermarket, ha ha.
