The Premises:

Debbs' excellent basement flat well described many times here. Spotlessly clean, welcoming and safe

The Lady:

About 28 years old, 5'5" and 38D-26-36. Comes from the delightful island of Bali. Accurate photographs on site and on site of other establishment where she works - Giggles!

The Story:

It is clearly a stroke of genius on Debbies part to replace the delightful Yasmin (who is having a break) with the delicious Sasha. I can think of nobody better. In soccer transfer terms this is almost the equivalent of Beckham to Real Madrid (except Sasha is still at Giggles)

In many ways a further FR is superfluous she already had 41 as Sasha of Ilford. I had been trying to find a window of opportunity to visit Giggles when Sasha was working but had failed for nearly two years! But I got to Debbies!

I am very glad I did. The pleasure of Sasha's company and performance was, as ever, exceptional. Much time was spent in chatter interspersed with cuddles and kisses. But then her oral (with) was excellent and the 69 which followed pleased us both so that I subsequently opted for another bout of the same to completion.

I suspect that journeys south of the river will become more frequent on Tuesdays.
