The Premises:

Spacious and very clean apartment with plenty of parking. Reasonable neighborhood - better than old flat.

The Lady:

Big lady and very beautiful with it. Lovely boobs, etc, hair, smile, scent and all that. Lost a little weight in recent months and looks better than ever.

The Story:

Seen Trisha four times now - the last was at a party in which I really wished I could have had even more one-on-one as she's fabulous. So I thought I'd have a bit more and seeing as I'm in Leeds for a couple of weeks I'm making the most of it.

Lovely time. The extra hour was really worth it as we were both more able to relax into the session and the petting took on a new level of tenderness, as did the other things we got up to.

I think I've spoiled myself. Already just had a wicked session with one Leeds lady and now another. I could get used to this lifestyle. If I win the lottery then it's a 30 booking for Trisha on a round the world cruise.
