The Premises:

Excellent parlour. Well furnished and a really friendly atmosphere.

Easy parking right behind the parlour.

My favourite girl had just started an hour appointment hence was unavailable so I took a chance on Diana who was just coming free.

The Lady:

Mid thirties I guess. Medium build but with a protruding belly. I honestly thought she was pregnant. Not being a diplomat I asked if she was and got told NO! Probably didnt endear myself to her for asking!

The Story:

Very mediocre punt. Diana went through the motions but had no spark whatsoever.

Maybe it was my own fault for asking if she was pregnant!
