### The Premises:

Quiet street near Olympia - but they were painting the outside of the building and we had to unentwine from a 69 to adjust the curtains - funny!

### The Lady:

Medium height, red hair, gorgeous big smile. Polish, speaks English a little but don't let this put you off. Claire speaks fluent sex.

### The Story:

Claire is gorgeous, beautiful, with her hair done up in that Jane Austenish way (such a turn-on) - not like a model, but like the girl in the supermarket or at the swimming pool who you see from a distance and absolutely fancy the arse off. Unlike these girls, you can spend as much time as you like with your tongue in Claire's pussy, which I did.

She french-kisses enthusiastically, with a lot of tongue, even just after she's discreetly dribbled your sperm into her hand, or just after you've brought her to a shuddering oral orgasm and your face is smeared with her pussy juice. GFE? I should coco.

After we'd come once and half our time had passed, there was no question about what would happen next, either - I hate when you don't know if there's going to be a round two or not. But Claire was right back in there nibbling and teasing away, sucking my nipples and bringing my half erect cock back to attention with expert tongue action (so many girls doing BBJs don't pay tongue attention to the sensitive spot), and she was well up for a second orgasm herself, too.

An absolute gem! Can't wait to see her again.
