The Story:

Another super Club Fantasy party. This time with Jo and Jan. Two very different ladies but they obviously get on well together and make a great pair.

Two girls and about eight guys. Jan and Jo were so into it that a mere eight guys could barely keep up with them But we did our best to satisfy these two sex-mad ladies. The action moved from two rooms to one and back to two. A great time was had by all. I particularly enjoyed Jan ? and Jo. There is a real additional pleasure in partying with two ladies who obviously enjoy parties as much as the guys do. There was a lot of joking and giggling. Jan in particular has a lovely sense of humour and is proud to be a TART (that?s a Tension Anxiety Relief Therapist to you, sir!!!)

A terrific evening. Sexy, fun-loving ladies and a super atmosphere. Great fun, great sex and great value for money.
