### The Premises:

Nice clean and tidy apartment in Fulham, loads of easy parking which was surprisingly cheap for the area.

### The Lady:

5ft6 and very very sexy hungarian kitten. Very Pretty face, almost a Jennifer Love Hewitt type. Very fit and slim body, with small but perfectly formed breasts and lovely perky dark nipples. Hair was blonde of sorts mixed in with a brown and red tint. Bubbly personality and friendly too! Speaks very good English, although sometimes her accent gets heavy, but she understands perfectly. A perfect girlfriend.....

### The Story:

This was the first time I'd met Nicole. Sue from agencytouchofclass spoke really highly of her and so I went along for the ride ;-)

On arrival was greeted by her with a big smile in a short skirt, showing off her considerable legs. I got in the shower and cleaned off the London dirt while she waited in the bedroom.

I think this girl loves giving head, as she was on her knees like the 411 in no time. Porno style....looking up at me and smiling sweetly all through. I was definitely weak at the knees so sat on the bed!

Felt myself coming too quick, so rested and wanked a bit while watching her play with herself.

Then for the finale, grabbing her chin gently and spurning my hot load into and around her mouth. She commented on how much spunk I gave her....which was nice ;-)

I got in the shower again, and was asked for a 2nd round.....even better!!

But, alas I was spunked out at least for the 15 mins remaining on my time.....oh well - she's definitely a lovely girl who shouldn't be doing this job but then I wouldn't be able to see her then!

I'll be back again, thanks Nicole and thanks Sue at the agency for being so sweet!
