The Premises:

Basement flat behind Gloucester Place. Neat and tidy with a maid and in a nice, secure area just a few minutes from Oxford Street. Sara was actually with a client when i arrived and was told to come back in half an hour which i wasn't too happy about since i had rang to let them know the time i would be arriving...but luckily there was a library present on the same road so i was able to chill and relax a little on what was an extremely hot day. Thank God there was at least a fan in the bedroom...i was beginning to melt...!!

The Lady:

Sara is a young punjabi girl in her early 20s and although she claimed to be Hindu....she had the long wavy locks of a SIKH girl. She said she was from Hertfordshire and studying in London where she was doing this to help with her student loan. Sara was about 5ft 3 inches tall and about a size 8 and came in wearing a sort of brown suede top and matchin hot pants...beneath which she was wearin a delightful pink bra and panties set. A major attraction with SARA is that she has absolutely flawless skin and body tone and a gorgeous pair of tits which she claimed to be 34c...but appeared to be a lot bigger...!! On top of all this, SARA has a absoltely BEAUTIFUL SEXXY FACE...which you unfortunately can't see on the website which is a shame because it is one of her best features...!!

The Story:

Although SARA started with a massage, my stroking of her thighs and breasts...told her what i really wanted. She let me stroke and kiss her through the bra and eventually to suck on her golden brown nipples which soon responded. Hpwever she seemed to have this fear that i was gonna bite them..and kept on tellin me to be careful...!! She stroked me while doing this and soon she got the old rubber on..and proceeded to SUCK ME...while lookin straight at me.

Another plus point with SARA is that she will indulge you in whatever sex talk or fantasy that u wanna share with her...she is not phased at all...and actually quite seems to enjoy it..so much so that she soon starts to join in with some of her own torrid adventures...!! She proceeded to suck and nibble and bite on me just as i wanted. She then proceeded to ride me in a facing COWGIRL and then we finally moved over into good old missionary. The fucking was so good that even though i came once..i was still hard and the second orgasm was achieved while she told me a about a

disgusting session she had with an ex-boyfriend while at a club with a current boyfriend...!!
However all this action was let down by the fact that she didn't allow kissing; touching or licking of her pussy (apparently someone had given her a nasty experience down there..??!!)or touching or licking of her ass-hole which i had come to expect having been with Caprice of Wolverhampton the month before (see field report)who charged a similar rate and although Caprice wasn't so forthcoming on the SEX TALK...she had a similarly gorgeous body..but unlike SARA, Caprice did allow virtually free access to her it...!!

After the sex, we still had a few minutes left whereupon she completed her massage on me while i stroked her gently and we had a pleasant and interesting conversation. I left the flat still HOT and STEAMING..but now for a completely different reason...!!

So overall - a hot, exciting PUNT with a GORGEOUS looking British SIKH girl..it's only a SHAME that she doesn't provide the FULL GIRLFRIEND EXPERIENCE..but i have mentioned it to her and even though it may be against current company policy at the INDIAN PALACE..maybe they or she will change her mind..and so fulfill her TRUE potential...!!
