The Lady:

If your a bbw lover than you will love Brandy as all her pictures are accurate. She is a lovely black woman with a great personality who knows her job well [especially the blowing kind]

The Story:

As it was a muggy evening we started in the shower together which was great to get my hands all over her gorgeous boobs and bum.

Brandy soon had me pinned down to the bed [Tried to fight it but the heat had zapped my energy to resist for to long]

Had a great couple of oral sessions [without] where i came over her boobs and quite frankly made a real mess.

A great girl who is very friendly and enjoys her work
