The Story:

Nice back massage with fondling of the nether region. Good conversation felt nice and relaxed. turned over for some more massage on the front which soon became owo, very good technique which was only let down by myself cos I couldn't get erect. Zoe then began to kiss again she was very good plenty of tongue action which did the trick with old JT. Zoe went back down to finish what she started again v. good and soon had me coming in her mouth. Zoe thanks for a freat time i shall definately back to see you again.
