The Premises:

The flat was nice - expensive looking really. She share's it with another girl who is in the same line of work. Gloria's bedroom had a clean bathroom attached.

The Lady:

Gloria looks even better in real life than she does in the pictures on her website. She is a Finnish girl in her mid to late twenties with long blonde hair. One thing that struck me was that she was toned all over and had a great body.

The Story:

Actually Gloria was my second choice from Alphababes - I had rung up for Anais but she was unavailable, but I was by no means disappointed when Gloria answered the door of her apartment. She made me feel at home and we had a quick chat before I had a shower and we sorted the money out. She said that the fee was 170 exclusive, or 200 including A-levels, which was what her boss said it was going to be. I said I wasn't interested in A-levels but I was after CIM, and she said it was possible, so I paid the 200.

She gave me a great BJ (with coverage, although she was going to do it BB but I stopped her) and really impressed me with her tremendous deep throating skills - she has to be seen in action to be believed. Then we did the real thing in a lot of different positions.

To finish off I asked her to get on the floor between my legs and suck my nipples while I wanked off. This is where the CIM part was meant to come in, but at the last moment I got a little shy and sort of veered off course, but she wasn't going to have any of that! She grabbed my dick and guided my cum into her mouth, then smiled like the little darling she is.

I definitely recommend a visit to Gloria as she is a very cool student who gives great service and is fun to talk to as well - she is very open about herself and what she's up to.
