### The Story:

Cat is a special lady , People who've read any other reports know I don't go into detail of what we get up to in the bedroom ( or any other room ) that's private between us , but if you've read other reports on Cat , yes she does OWO , Cat's well known for her ability at sending you to heaven with the quality of her blow jobs , once you've experienced it you'll understand why and you'd be hard pressed to find any better and this is a Cat who loves the cream. She's really sexy and loves her job and goes out of her way to make sure you have a great time. She's blond but she's not dumb or a bimbo , this lady has a brain , so if you're like me and aren't just after great sex but somebody interesting and intelligent to talk to aswell , then I would certainly recommend giving Cat a call. I'm fairly shy but Cat is really great at putting you at ease , she's got a great sense of humour and she'll chat to you getting an idea what you like and isn't afraid to make suggestions , listen to her advice she knows what she's talking about. She'll not rush you , unless you want her to of course. You'll be pleasantly surprised when she kisses you and you find her tongue exploring inside your mouth. If you do decide to meet Cat , make sure you treat her properly as I'm fairly certain you'll want to see her again , this was the third time I've visited her and each time is more enjoyable than the last as we learn more about each other and what we both like. Would I recommend her , certainly , and am I going to see her again , definitely
