The Premises:

Nice clean but small room - other larger rooms were in use. Easy safe and discreet access to the parlour round the back of a pub car park. The pub seems very quiet - not sure if even open.

The Lady:

Hanna seemed darker skinned than the website photo - perhaps the result of sunbathing or an overstrong flashgun on the photography. But, superb trim body. Smallish breasts, great tight arse.

The Story:

Hanna was a real professional. Friendly and put me at ease immediately. Slight foreign accent but excellent English. Hanna started by kissing me all over and then sucked my balls without asking and at no extra charge. Wow, what an experience. I felt guilty about not shaving everything off down there. I came with Hanna on top along with some dirty talk from Hanna. Again unasked for but which I found, unexpectedly, a real turn on. Not that I needed one. It was over all too quickly. A visit to Hanna is well recommended. I'll be back.
