The Story:

Excellent punt. Started with cuddling and french kissing, worked my way down her body and enjoyed sucking on her beautiful breasts and prominent nipples. Moved on to her shaven genitalia and gently brought her to a writhing climax. Nadia then returned the favour with some superb owo before slipping on a condom for some gentle missionary intercourse. With a lovely tight fit it wasn't long before I spurted! After a brief clean up we moved into 69 where she soon had me standing hard again. Then moved round and sucked her to a second shattering climax before she then moved over me for more fantastic owo finishing with CIM. I finally staggered out completely satisfied.
