The Premises:

Debbies place near Anerley BR station. Nice and airy basement flat but not the lap of luxury - who cares as long as it is clean?

The Lady:

One of my many visits to see this attractive East-European brunette. Lovely lean body, but not skinny. I had to remind this beautiful girl that "more than a handful is a waste". She clearly looks after herself. Katarina more than makes you feel welcome. She even used minty mouth-wash so her kisses taste even better. Although it was late afternoon and she had seen punters already, she appeared fresh and ready for action.

The Story:

Well what can I say that hasn't already been said? Everything is covered but it didn't distract from the experience (did you know you can get herpes from a uncovered BJ?). If Katarina likes you, you know it for sure! Full-on French kissing and plenty of passion with energy. We were rolling on the bed like red-hot lovers. She brought out the animal in me and it was hard to be gentle. Nevertheless I managed to keep some control and I was rewarded with some extra work from her tongue. Go see her, she is a lovely girl that will leave you with smile on your face.
