### The Premises:

a nice victorian terrace, clean inside, large modern room, double bed. A safe road/area.

### The Lady:

i had the option to choose 1 of 2 girls. Amanda was my choice. 26 and from poland, she is sweetly pretty, somewhere around a shapely size 14-16, but not looking chubby, just curved. She has a blonde/brunette bob and cute porcelaine feet. She was friendly, even saying to a colleague on the way up the corridor to the room "im off to enjoy myself." She is enthusaistic, tender and fun. Although the girls at night hawks dont kiss on the lips, it was a girlfriend experience, as she is chatty, jokey, and sweet. She taught me how to say 'i love you' in polish.

### The Story:

it was the first time i had been with amanda, and im a fan already.
